DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS**

FOR

**LIBERTY PARK
(P/K/A INDEPENDENCE SETTLEMENT)**

THIS FIRST AMENDED AND RESTATED DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS FOR LIBERTY PARK SUBDIVISION ("Declaration") is made as of ___ day of _____, 2012 by QUINNCO MARNE, LLC, a Georgia limited liability company ("Declarant") and the INDEPENDENCE SETTLEMENT TOWNHOME ASSOCIATION, INC., a Georgia corporation (the "Association").

WITNESSETH:

WHEREAS, TFG Settlement, LLC, as Declarant, executed and recorded the Declaration of Covenants, Conditions and Restrictions for Independence Settlement Townhomes, dated October 31, 2007 and recorded in Deed Book 1502, page 86, Liberty County, Georgia records (the "Original Declaration");

WHEREAS, TFG Settlement, LLC has assigned its rights as Declarant under the Declaration to Quinnco Marne, LLC pursuant to that Assignment of Declarant's Rights dated June 30, 2010, and recorded in Deed Book 1650, page 72, Liberty County, Georgia records; and

WHEREAS, the Declarant desires to modify the general development plan for the property subject to the Declaration to convert certain townhome lots into single family residential lots;

WHEREAS, the Declarant intends that the existing townhome lots and the single family residential lots shall both be subject to this Declaration;

WHEREAS, Declarant has or shall change the name of the Association to the Liberty Park Property Owners Association, Inc.

NOW THEREFORE, for and in consideration of the mutual benefits to the parties hereto, ten and no/100ths dollars, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto do hereby amend and restate the Original Declaration as follows:

PART ONE: INTRODUCTION TO THE COMMUNITY

Article I Creation of the Community

1.1. Purpose and Intent.

Declarant, as the owner of the real property described in Exhibit "A," intends by Recording this Declaration to establish a general plan of development for the neighborhood known as Liberty Park ("Liberty Park"). Liberty Park includes Living Units previously identified on subdivision plats for Independence Settlement. Some of said subdivision plats still refer to Independence Settlement. This Declaration provides a flexible and reasonable procedure for Liberty Park's future expansion as Declarant deems appropriate and provides for its overall development, administration, maintenance, and preservation. An integral part of the development plan is the creation of Liberty Park Property Owners Association, Inc., an association comprised of all owners of real property in Liberty Park, to own, operate, and/or maintain various Common Areas and community improvements and to administer and enforce this Declaration and the other Governing Documents referenced in this Declaration.

This document does not and is not intended to create a condominium under Georgia law.

1.2. Binding Effect.

All property described in Exhibit "A," and any additional property which is made a part of Liberty Park in the future by Recording one or more Supplemental Declarations, shall be owned, conveyed, and used subject to all of the provisions of this Declaration, which shall run with the title to such property. This Declaration shall be binding upon all Persons having any right, title, or interest in any portion of Liberty Park, their heirs, successors, successors-in-title, and assigns.

This Declaration, as it may be amended, shall remain in effect and shall be enforceable by Declarant, the Association, any Owner, and their respective legal representatives, heirs, successors, and assigns, for a term of 20 years from the date this Declaration is Recorded. After such time, this Declaration shall be extended automatically for successive periods of 10 years each, unless an instrument signed by a majority of the then Owners has been Recorded within the year preceding any extension agreeing to terminate this Declaration, in which case it shall terminate as of the date specified in such instrument. Notwithstanding this, if any provision of this Declaration would be unlawful, void, or voidable by reason of any Georgia law restricting the period of time that covenants on land may be enforced, such provision shall expire 21 years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England. Nothing in this Section shall be construed to permit termination of any easement created in this Declaration without the consent of the easement holder.

1.3. Governing Documents.

PART TWO: CREATION AND MAINTENANCE OF COMMUNITY STANDARDS

Article III Use and Conduct

3.1. Framework for Regulation.

The Governing Documents establish, as part of the general plan of development for Liberty Park, a framework of affirmative and negative covenants, easements, and restrictions which govern the Properties. Within that framework, the Board and the Members must have the ability to respond to unforeseen problems and changes in circumstances, conditions, needs, desires, trends, and technology. Therefore, this Article establishes procedures for modifying and expanding the initial Restrictions and Rules set forth in Exhibit "C."

3.2. Rule Making Authority.

(a) Subject to the terms of this Article and the Board's duty to exercise business judgment and reasonableness on behalf of the Association and its Members, the Board may modify, cancel, limit, create exceptions to, or expand the Restrictions and Rules. The Board shall mail notice to all Owners concerning any proposed action at least five business days prior to the Board meeting at which such action is to be considered. Members shall have a reasonable opportunity to be heard at a Board meeting prior to such action being taken.

Such action shall become effective, after compliance with subsection (c) below, unless Members representing more than 50% of the total Class "A" votes in the Association and the Class "B" Member, if any, disapprove. The Board shall have no obligation to call a meeting of the Members to consider disapproval except upon receipt of a petition as required for special meetings in the By-Laws. If the Board receives such petition prior to the effective date of any action under this Section 3.2(a), the proposed action shall not become effective until after such meeting is held, and then subject to the outcome of such meeting.

(b) Alternatively, Members representing more than 50% of the total Class "A" votes in the Association, at an Association meeting duly called for such purpose, may vote to modify, cancel, limit, create exceptions to, or expand the Restrictions and Rules then in effect. Such action shall require the approval of the Class "B" Member, if any.

(c) Prior to any action taken under this Section becoming effective, the Board shall send a copy of the new rule or explanation of any changes to the Restrictions and Rules to each Owner. The effective date shall be not less than 30 days following distribution to Owners.

The Association shall provide, without cost, one copy of the Restrictions and Rules then in effect to any requesting Member or Mortgagee.

(d) No action taken under this Article shall have the effect of modifying, repealing, or expanding the Architectural Guidelines or any provision of this Declaration other than the initial Restrictions and Rules set forth in Exhibit "C." In the event of a conflict between the Architectural Guidelines and the Restrictions and Rules, the Architectural Guidelines shall control.

(e) The procedures set forth in this Section 3.2 do not apply to the Board's enactment by resolution of rules and regulations governing use and operation of the Common Area; provided, the Board may choose, in its discretion, to submit to such procedures.

3.3. Owners' Acknowledgment and Notice to Purchasers.

All Owners are given notice that use of their Living Units and the Common Area is limited by the Restrictions and Rules as amended, expanded, and otherwise modified from time to time. Each Owner, by acceptance of a deed, acknowledges and agrees that the use and enjoyment and marketability of his or her Living Unit can be affected by this provision and that the Restrictions and Rules may change from time to time. All purchasers of Living Units are on notice that the Association may have adopted changes and that such changes may not be reflected in a Recorded instrument. Copies of the current Restrictions and Rules may be obtained from the Association.

3.4. Protection of Owners and Others.

Except as may be set forth in this Declaration (either initially or by amendment), the Architectural Guidelines (as amended from time to time), or in the initial Restrictions and Rules set forth in Exhibit "C," all Restrictions and Rules shall comply with the following provisions:

- (a) Similar Treatment. Similarly situated Owners shall be treated similarly.
- (b) Signs and Displays. The Board shall not interfere with Owners' rights to display religious and holiday signs, symbols, and decorations inside structures on their Living Units, except that it may adopt time, place, and manner restrictions with respect to displays visible from outside the Living Unit.

Except as otherwise provided in this Declaration or approved by the Board of Directors, signs, banners, posters, placards, billboards, advertisements, bulletins, announcements, symbols,

displays, or any other manifestation of a message, slogan, or symbol of any kind shall not be displayed upon or visible from the outside of a Living Unit or placed or displayed anywhere within the Properties; provided those signs installed or authorized during the initial construction of the Properties by Declarant and those signs required by Georgia law shall be permitted. Notwithstanding the foregoing, a "for sale" or "for rent" sign that is 3'x3' or less in size and which receives written approval from the Board may be displayed outside a Living Unit. In addition, one "builder identification" sign shall be permitted to be placed by the builder on a Living Unit indicating the name of the building company constructing upon the Living Unit so long as such sign is placed in the area designated by the Board and the design, quality and size of the sign is approved in accordance with Article IV.

(c) Household Composition. The Board shall not interfere with the freedom of Owners to determine the composition of their households, except that it may require that all occupants be members of a single housekeeping Living Unit and limit the total number of occupants permitted in each Living Unit on the basis of the size and facilities of the Living Unit and its fair use of the Common Area.

(d) Activities Within Dwellings. The Board may not interfere with the activities carried on within the confines of dwellings, except that it may prohibit activities not normally associated with property restricted to residential use, and it may restrict or prohibit any activities that create monetary costs for the Association or other Owners, that create a danger to the health or safety of others, that generate excessive noise or traffic, that create unsightly conditions visible outside the Living Unit, or that create an unreasonable source of annoyance.

(e) Allocation of Burdens and Benefits. The Board shall not alter the allocation of financial burdens among the various Living Units or rights to use the Common Area to the detriment of any Owner over that Owner's written objection. Nothing in this provision shall prevent the Board from changing the Common Area available, from adopting generally applicable rules for use of the Common Area, or from denying use privileges to those who are delinquent in paying assessments, abuse the Common Area, or violate the Governing Documents. This provision does not affect the right to increase the amount of assessments as provided in Article X.

(f) Abridging Existing Rights. No rule shall require an Owner to dispose of personal property that was in or on a Living Unit prior to the adoption of such rule if such personal property was in compliance with all rules previously in force. This exemption shall apply only during the period of such Owner's ownership of the Living Unit, and shall not apply to subsequent Owners who take title to the Living Unit after adoption of the rule.

(g) Unlawful Restraints on Alienation. No rule shall unreasonably restrain or restrict an Owners ability to sell its Living Unit in violation of Georgia law. The limitations in subsections (a) through (g) of this Section 3.4 shall only limit rulemaking authority exercised under Section 3.2; they shall not apply to amendments to this Declaration adopted in accordance with Article XIX.

Article IV Architecture and Landscaping

4.1. General.

No structure or thing shall be placed, erected, or installed upon any Living Unit and no improvements or other work (including staking, clearing, excavation, grading, and other site work; exterior alterations of existing improvements; or planting or removal of landscaping) shall take place within the Properties, except in compliance with this Article and the Architectural Guidelines.

This Article shall not apply to Declarant's activities, nor to activities of the Association during the Class "B" Control Period.

4.2. Architectural Review.

(a) By Declarant. Each Owner, by accepting a deed or other instrument conveying any interest in any portion of the Properties, acknowledges that Declarant has a substantial interest in ensuring that the improvements within the Properties enhance Declarant's reputation as a community developer and do not impair Declarant's ability to market, sell, or lease its property. Therefore, each Owner agrees that no activity within the scope of this Article shall be commenced on such Owner's Living Unit unless and until Declarant or its designee has given its prior written approval for such activity, which approval may be granted or withheld in Declarant's or its designee's sole discretion.

In reviewing and acting upon any request for approval, Declarant or its designee shall be acting solely in Declarant's interest and shall owe no duty to any other Person. Declarant's rights reserved under this Article shall continue so long as Declarant owns any portion of the Properties or has the right to expand the Properties pursuant to Section 11.1, unless earlier terminated in a Recorded instrument executed by Declarant.

Declarant may, in its sole discretion, designate one or more Persons from time to time to act on its behalf in reviewing applications hereunder.

Declarant may from time to time, but shall not be obligated to, delegate all or a portion of its reserved rights under this Article to (i) an architectural review committee appointed by the Board of Directors (the "ARC"), or (ii) a committee comprised of architects, engineers, or other persons who may or may not be Members of the Association. Any such delegation shall be in writing, shall specify the scope of responsibilities delegated, and shall be subject to (i) Declarant's right to revoke such delegation at any time and reassume jurisdiction over the matters previously delegated and (ii) Declarant's right to veto any decision which Declarant determines, in its sole discretion, to be inappropriate or inadvisable for any reason. So long as Declarant has any rights under this Article, the jurisdiction of the foregoing entities shall be limited to such matters as Declarant specifically delegates to it.

(b) Architectural Review Committee. Upon delegation by Declarant or upon expiration or termination of Declarant's rights under this Article, the Association, acting through the ARC, shall assume jurisdiction over architectural matters. The ARC, when appointed, shall consist of at least three, but not more than seven, persons who shall serve and may be removed and replaced in the Board's discretion. The members of the ARC need not be Members of the Association or representatives of Members, and may, but need not, include architects, engineers, or similar professionals, who may be compensated in such manner and amount, if any, as the Board may establish.

Unless and until such time as Declarant delegates all or a portion of its reserved rights to the ARC or Declarant's rights under this Article terminate, the Association shall have no jurisdiction over architectural matters.

(c) Reviewer. For purposes of this Article, the entity having jurisdiction in a particular case is referred to as the "Reviewer."

(d) Fees; Assistance. The Reviewer may establish and charge reasonable fees for review of applications and may require such fees to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred in having any application reviewed by architects, engineers, or other professionals. Declarant and the Association may employ architects, engineers, or other persons as deemed necessary to perform the review. The Board may include the compensation of such persons in the Association's annual operating budget.

4.3. Architectural Guidelines.

Declarant may prepare, modify, cancel, limit, create exceptions to or expand Architectural Guidelines, in its sole discretion. The Architectural Guidelines are intended to provide guidance to Owners regarding matters of particular concern to the Reviewer in considering applications. The Architectural Guidelines are not the exclusive basis for the Reviewer's decisions and compliance with the Architectural Guidelines does not guarantee approval of any application.

Any amendments to the Architectural Guidelines shall be prospective only and shall not apply to require modifications to or removal of structures previously approved once the approved construction or modification has commenced. There shall be no limitation on the scope of amendments to the Architectural Guidelines, and such amendments may remove requirements previously imposed or otherwise make the Architectural Guidelines less restrictive.

The Reviewer shall make the Architectural Guidelines available to Owners who seek to engage in development within the Properties. In Declarant's discretion, such Architectural Guidelines may be Recorded, in which event the Recorded version, as it may be amended from time to time, shall control in the event of any dispute as to which version of the Architectural Guidelines was in effect at any particular time.

4.4. No Waiver of Future Approvals.

Each Owner acknowledges that the persons reviewing applications under this Article will change from time to time and that opinions on aesthetic matters, as well as interpretation and application of the Architectural Guidelines, may vary accordingly. In addition, each Owner acknowledges that it may not always be possible to identify objectionable features until work is completed, in which case it may be unreasonable to require changes to the improvements involved, but the Reviewer may refuse to approve similar proposals in the future. Approval of applications or plans, or in connection with any other matter requiring approval, shall not constitute a waiver of the right to withhold approval as to any similar applications, plans, or other matters subsequently or additionally submitted for approval.

4.5. Variations.

The Reviewer may authorize variations from compliance with any of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require, but only in accordance with duly adopted rules and regulations. No variance shall (a) be effective unless in writing; (b) be contrary to this Declaration; or (c) estop the Reviewer from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

4.6. Limitation of Liability.

The standards and procedures established by this Article are intended as a mechanism for maintaining and enhancing the overall aesthetics of the Properties; they do not create any duty to any Person. Review and approval of any application pursuant to this Article may be based on aesthetic considerations only. The Reviewer shall not bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes and other governmental requirements, nor for ensuring that all dwellings are of comparable quality, value, or size, of similar design, or aesthetically pleasing or otherwise acceptable to neighboring Owners.

Declarant, the Association, the Board, any committee, or any member of the Board or any committee shall not be held liable for soil conditions, drainage, or other general site work; any defects in plans revised or approved hereunder; any loss or damage arising out of the action, inaction, integrity, financial condition, or quality of work of any contractor or its subcontractors, employees, or agents, whether or not Declarant has approved or featured such contractor as a builder; or any injury, damages, or loss arising out of the manner or quality or other circumstances of approved construction or modifications to any Living Unit. In all matters, the Board, the ARC, and the members of each shall be defended and indemnified by the Association as provided in Section 7.5.

Article V Leasing

5.1 Leasing Program.

In order to preserve the character of the Neighborhood as predominantly owner-occupied and to comply with the eligibility requirements for financing in the secondary mortgage market, the leasing of Living Units shall be governed by the restrictions imposed in this Article. Except as provided herein, the Leasing of Living Units shall be prohibited.

5.2 General.

Owners desiring to lease their Living Units may do so only if they have applied for and received from the Board of Directors either a "Leasing Permit" or a "Hardship Leasing Permit". Such a permit, upon its issuance, will allow an Owner to lease his or her Living Unit provided that such Leasing is in strict accordance with the terms of the permit and this Article. The Board of Directors shall have the authority to establish conditions as to the duration and use of such permits consistent with this Article. All Leasing Permits and Hardship Leasing Permits shall be valid only as to a specific Living Unit and shall not be transferable between either Living Units or Owners, but shall be transferable to successors in title to the same Living Unit.

5.3 Leasing Permits.

An Owner's request for a Leasing Permit shall be approved if current outstanding Leasing Permits have not been issued for more than twenty (20%) of the total number of Living Units in the Development, and the Owner is current on all Association dues, assessments and fines. Once granted, a Leasing Permit shall not be revoked except upon the happening of any of the following events: (1) the failure of a Living Unit Owner to lease his or her Living Unit within one hundred eighty (180) days of the Leasing Permit having been issued; (2) the failure of a Living Unit Owner to have his or her Living Unit leased for any consecutive one hundred eighty (180) day period thereafter; (3) the occurrence of the date referenced in a written notification by the Owner to the Association that the Owner will, as of said date, no longer need the Leasing Permit; or (4) the Owner is more than sixty (60) days delinquent on any Association dues, assessments or fines at a time when the Living Unit is not leased. If current Leasing Permits have been issued for more than twenty percent (20%) of the total number of Living Units, no additional Leasing Permits shall be issued (except for Hardship Leasing Permits) until the number of outstanding current Leasing Permits falls below twenty percent (20%) of the total number of Living Units in the Development. Owners who have been denied a Leasing Permit shall be automatically placed on a waiting list for a Leasing Permit and shall be issued the same if they so desire when the number of current outstanding Leasing Permits issued falls to twenty percent (20%) or less of the total number of Living Units in the Development. The issuance of a Hardship Leasing Permit to an Owner shall not cause the Owner to be removed from the waiting list for a Leasing Permit.

5.4 Hardship Leasing Permits.

If the failure to lease will result in a hardship, the Owner may seek to lease on a hardship basis by applying to the Board of Directors for a Hardship Leasing Permit. The Board of Directors shall have the authority to issue or deny requests for Hardship Leasing Permits in its discretion after considering the following factors: (1) the nature, degree, and likely duration of the hardship, (2) the harm, if any, which will result to the Development if the permit is approved, (3) the number of Hardship Leasing Permits which have been issued to other Owners, (4) the Owner's ability to cure the hardship, and (5) whether previous Hardship Leasing Permits have been issued to the Owner. A "hardship" as described herein shall include, but not be limited to, the following situations: (1) a Living Unit Owner must relocate his or her residence outside Chatham County, Georgia and cannot, within six (6) months from the date that the Living Unit was placed on the market, sell the Living Unit except at a price below the current appraised market value, after having made reasonable efforts to do so; (2) where the Owner dies and the Living Unit is being administered by his or her estate; and (3) the Owner takes a leave of absence or temporarily relocates and intends to return to reside in the Living Unit. Hardship Leasing Permits shall be valid for a term not to exceed one (1) year. Owners may apply for additional Hardship Leasing Permits. Hardship Leasing Permits shall be automatically revoked if during the term of the permit, the Owner is approved for and receives a Leasing Permit.

5.5 Lease Form.

At least seven (7) days prior to entering into the lease of a Living Unit, the Owner shall provide the Board with a copy of the proposed lease agreement. The Board shall approve or disapprove the form of said lease. In the event a lease is disapproved, the Board shall notify the Owner of the requisite action to be taken in order to bring the lease into compliance with the Declaration and any rules and regulations adopted pursuant hereto. All leases shall be in writing and in a form approved by the Board prior to the effective date of the lease. The Board may maintain and, upon request, provide a form that is deemed acceptable. Within ten (10) days after executing a lease agreement for the lease of a Living Unit, the Owner shall provide the Board with a copy of the lease and the name of the Tenant and all other people occupying the Living Unit. The owner must provide the Tenant copies of the Declaration, Bylaws, and the rules and regulations. Nothing herein shall be construed as giving the Board the right to approve or disapprove of a proposed Tenant; the Board's approval or disapproval shall be limited to the form of the proposed lease.

5.6 Required Lease Terms.

Each Owner covenants and agrees that any lease of a Living Unit shall comply with the following provisions or contain the following language and agrees that if such language is not expressly contained therein, then such language shall be incorporated into the lease by existence of this covenant, and the Tenant, by occupancy of the Living Unit, agrees to the applicability of this covenant and incorporation of the following language into the lease:

- (1) Living Units may be leased only in their entirety, no fraction or portion may be leased without prior written Board approval.
- (2) There shall be no subleasing of Living Units or assignment of leases without prior written Board approval.
- (3) All leases must be for an initial term of not less than one (1) year, except with written Board approval, which shall not be unreasonably withheld in cases of undue hardship.
- (4) The lease must list all occupants and their relationship to Tenant, and shall provide that no other persons will occupy the Living Unit without Owner's consent.
- (5) No Leasing Permit or Hardship Leasing Permit shall be deemed valid until such time as the Owner deposits with the Association a lease deposit equal to the greater of (a) the minimum amount set by the Board of Directors, or (b) one (1) month's rent (the "Lease Deposit") to ensure the full and faithful performance by Tenant and Owner of its obligations under and compliance with the Declaration, Bylaws, and rules and regulations of the Development. The Lease Deposit will be returned to Owner within thirty (30) days after the Premises are vacated if: (a) The Lease term has expired or the lease has been terminated by both parties; and (b) All amounts due by Owner and Tenant to the Association have been paid; and (c) Any Common Elements, including the exterior of the Living Unit, maintained by the Association are not damaged by Owner, Tenant or its guests, and are left in their original condition, normal wear and tear excepted.

At the discretion of the Board, the Lease Deposit may be applied against any costs incurred by the Association as a result of Owner's or Tenant's actions or failure to act, including but not limited to fines assessed against the Living Unit, the costs to the Association of repairing damages to the Common Elements caused by Owner or Tenant or its guests, and other costs and expenses related to enforcing the Declaration, Bylaws, and rules and regulations against Owner or Tenant, including, but not limited to attorneys fees and expenses, and court costs. The application of said Lease Deposit does not relieve the Owner or Tenant of liability for damages or costs in excess of the Lease Deposit.

- (6) The Tenant shall comply with all provisions of the Declaration, Bylaws, and rules and regulations adopted pursuant thereto and shall control the conduct of all other Occupants and guests of the leased Living Unit in order to ensure such compliance. The Owner shall cause all Occupants of his or her Living Unit to comply with the Declaration, Bylaws, and the rules and regulations adopted pursuant thereto, and shall be responsible for all violations by such Occupants, notwithstanding the fact that such Occupants of the Living Unit are fully liable and may be sanctioned for any such violation. If the Tenant, or a person living with the Tenant, violates the Declaration, Bylaws, and the rules and regulations for which a fine is imposed, notice of the violation shall be given to the Owner, and the Tenant, and such fine may be assessed against the

Tenant as if he were the Owner of the Living Unit as provided herein. If the fine is not paid by the Tenant within the time period set by the Board, the Board, in its sole discretion may collect the fine from the Lease Deposit, or demand that the Owner pay the fine upon notice from the Board of the Tenant's failure to pay the fine. Unpaid fines shall constitute a lien against the Living Unit.

(7) Any violation of the Declaration, Bylaws or rules and regulations adopted pursuant thereto by the Tenant, or any guest of Tenant, is deemed to be a default under the terms of the lease and authorizes the Owner to terminate the lease without liability and to evict the Tenant in accordance with Georgia law. The Owner hereby delegates and assigns to the Association, acting through the Board, the power and authority of enforcement against the Tenant for breaches resulting from the violation of the Declaration, bylaws, and the rules and regulations adopted pursuant thereto, including the power and authority to evict the Tenant as attorney-in-fact on behalf and for the benefit of the Owner, in accordance with the terms hereof. If the Association proceeds to evict the Tenant, any costs, including reasonable attorney's fees actually incurred and court costs associated with the eviction shall be an assessment and lien against the Living Unit, and may, in the Board's sole discretion, be paid from the Lease Deposit.

PART THREE: COMMUNITY GOVERNANCE AND ADMINISTRATION

Article VI The Association and its Members

6.1. Function of Association.

The Association is the entity responsible for management, maintenance, operation, and control of the Common Areas and Areas of Common Responsibility. The Association also is the primary entity responsible for enforcement of the Governing Documents. The Association shall perform its functions in accordance with the Governing Documents and Georgia law.

6.2. Membership.

Every Owner shall be a Member of the Association. There shall be only one membership per Living Unit. If a Living Unit is owned by more than one Person, all co-Owners shall share the privileges of such membership, subject to reasonable Board regulation and the restrictions on voting set forth in Section 6.3(c) and in the By-Laws, and all such co-Owners shall be jointly and severally obligated to perform the responsibilities of Owners. The membership rights of an Owner which is not a natural person may be exercised by any officer, director, partner, or trustee, or by the individual designated from time to time by the Owner in a written instrument provided to the Secretary of the Association.

6.3. Voting.

The Association shall have two classes of membership, Class "A" and Class "B."

(a) Class "A". Class "A" Members shall be all Owners except the Class "B" Member, if any. Class "A" Members shall have one equal vote for each Living Unit in which they hold the interest required for membership under Section 6.2, except that there shall be only one vote per Living Unit. No vote shall be exercised for any property which is exempt from assessment under Sections 10.8 (a) and (b). All Class "A" votes shall be cast as provided in Section 6.3(c) below.

(b) Class "B". The sole Class "B" Member shall be Declarant. The Class "B" Member may appoint a majority of the members of the Board of Directors during the Class "B" Control Period, as specified in the By-Laws. Additional rights of the Class "B" Member are specified in the relevant sections of the Governing Documents. After termination of the Class "B" Control Period, the Class "B" Member shall have a right to disapprove Board and committee actions as provided in the By-Laws.

The Class "B" membership shall terminate upon the earlier of:

- (i) two years after expiration of the Class "B" Control Period; or
- (ii) when, in its discretion, Declarant so determines and declares in a Recorded instrument.

Upon termination of the Class "B" membership, Declarant shall be a Class "A" Member entitled to Class "A" votes for each Living Unit which it owns.

(c) Exercise of Voting Rights. Except as otherwise specified in this Declaration or the By-Laws, the vote for each Living Unit owned by a Class "A" Member shall be exercised by the Member. In any situation where there is more than one Owner of such Living Unit, the vote for such Living Unit shall be exercised as the co-Owners determine among themselves and advise the Secretary of the Association in writing prior to the vote being taken. Absent such advice, the Living Unit's vote shall be suspended if more than one Person seeks to exercise it.

Article VII Association Powers and Responsibilities

7.1. Acceptance and Control of Association Property.

(a) The Association may acquire, hold, lease (as lessor or lessee), operate, and dispose of tangible and intangible personal property and real property. The Association may enter into leases, licenses, or operating agreements for portions of the Common Area, for such

consideration or no consideration as the Board deems appropriate, to permit use of such portions of the Common Area by others for the provision of goods or services for the general benefit or convenience of Owners, occupants, and residents of the Properties.

(b) Declarant and its designees may convey to the Association, and the Association shall accept, personal property and fee title, leasehold, or other property interests in any real property, improved or unimproved, described in Exhibits "A" or "B." Upon Declarant's written request, the Association shall reconvey to Declarant any unimproved portions of the Common Area Declarant originally conveyed to the Association for no consideration, to the extent conveyed by Declarant in error or needed by Declarant to make minor adjustments in property lines.

(c) The Association shall be responsible for management, operation, and control of the Common Area and Areas of Common Responsibility, subject to any covenants and restrictions set forth in the deed or other instrument transferring such property to the Association. The Board may adopt such reasonable rules regulating use of the Common Area as it deems appropriate.

7.2. Maintenance of Area of Common Responsibility.

The Association shall maintain, in accordance with the Community-Wide Standard, the Area of Common Responsibility, which shall include, but need not be limited to:

- (a) all portions of and structures situated on the Common Area;
- (b) exterior maintenance on each Living Unit classified as a Townhome, as follows: paint, repair, replace, and care for roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks and other exterior improvements. Exterior maintenance shall not include glass surfaces. All of the Living Units classified as Townhomes shall be part of the Townhome Service Area and subject to Service Area Assessments, as provided below, for the special services described in this section 7.2 (b).
- (c) landscaping within public rights-of-way within or abutting the Properties;
- (d) such portions of any additional property included within the Area of Common Responsibility as may be dictated by this Declaration, any Supplemental Declaration, any covenant to share costs, or any contract or agreement for maintenance thereof entered into by the Association;
- (e) all ponds, streams, and/or wetlands located within the Properties which serve as part of the storm water drainage system for the Properties, including improvements and equipment installed therein or used in connection therewith; and

(f) any property and facilities which Declarant owns and makes available, on a temporary or permanent basis, for the primary use and enjoyment of the Association and its Members. Such property and facilities shall be identified by written notice from Declarant to the Association and will remain part of the Area of Common Responsibility maintained by the Association until such time as Declarant revokes such privilege of use and enjoyment by written notice to the Association.

(g) collection and payment of assessments levied by the Master Association pursuant to the Master Declaration, and the fulfillment of any other duties and obligations under the Master Declaration.

The Association may maintain other property which it does not own, including, without limitation, property dedicated to the public, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

The Association shall not be liable for any damage or injury occurring on or arising out of the condition of property which it does not own except to the extent that it has been negligent in the performance of its maintenance responsibilities.

The Association shall maintain the facilities and equipment within the Area of Common Responsibility in continuous operation, except for any periods necessary, as determined in the Board's sole discretion, to perform required maintenance or repairs, unless Members representing 75% of the Class "A" votes in the Association and the Class "B" Member, if any, agree in writing to discontinue such operation.

Except as provided above, the Area of Common Responsibility shall not be reduced except with Declarant's prior written approval as long as Declarant owns any property described in Exhibits "A" or "B" of this Declaration.

The costs associated with maintenance, repair, and replacement of the Area of Common Responsibility shall be a Common Expense; provided, the Association may seek reimbursement from the owner(s) of, or other Persons responsible for, certain portions of the Area of Common Responsibility pursuant to this Declaration, a covenant to share costs, other Recorded covenants, or agreements with the owner(s) thereof.

The cost of maintenance, repair, replacement and insurance of Limited Common Areas, or the cost of special services to Living Units within a Service Area shall be a Service Area Expense assessed against the Living Units to which the Limited Common Areas are assigned, or assessed against the Living Units receiving the services.

Upon resolution of the Board, Living Units within each Service Area may be assessed Service Area Assessments to fund the costs of operating, maintaining and insuring certain portions of the Area of Common Responsibility within or adjacent to such Service Area, or for the purpose of providing special services to Living Units within said Service Area; provided, that all Service Areas which are similarly situated shall be treated the same.

7.3. Provision of Benefits or Services to Service Areas.

(a) The Declarant, by Supplemental Declaration, may assign portions of the Properties to one or more Service Areas (by name or other identifying designation) as it deems appropriate, which Service Areas may be then existing or newly created, and may require that the Association provide benefits or services to such Living Units in addition to those which the Association generally provides to all Living Units. The cost of providing such benefits or services shall be assessed against the Living Units within such Service Area as a Service Area Assessment.

(b) Any group of Owners may petition the Board to designate their Living Units as a Service Area for the purpose of receiving from the Association (i) special benefits or services which are not provided to all Living Units, or (ii) a higher level of service than the Association provides to all Living Units. Upon receipt of such petition signed by Owners of a majority of the Living Units within the proposed Service Area, the Board shall investigate the terms upon which the requested benefits or services might be provided and notify the Owners in the proposed Service Area of such terms and the cost thereof, which may include a reasonable administrative charge in such amount as the Board deems appropriate (provided, any such administrative charge shall apply at a uniform rate among Living Units in all Service Areas receiving the same service). Upon written approval of the proposal by Owners of at least 75% of the Living Units within the proposed Service Area, the Association shall provide the requested benefits or services and shall assess the cost thereof among the Living Units in the proposed Service Area as a Service Area assessment pursuant to Section 7.2 and this Section 7.3, subject to the right of the Owners of Living Units within the Service Area thereafter to veto the budget for their Service Area as provided in Section 10.1.

7.4. Compliance and Enforcement.

(a) Every Owner and occupant of a Living Unit shall comply with the Governing Documents. The Board may impose sanctions for violation of the Governing Documents after notice and a hearing in accordance with the procedures set forth in the By-Laws. Such sanctions may include, without limitation:

(i) imposing reasonable monetary fines which shall constitute a lien upon the violator's Living Unit. (In the event that any occupant, guest, or invitee of a Living Unit violates the Governing Documents and a fine is imposed, the fine shall first be assessed against the violator; provided, however, if the fine is not paid by the violator within the time period set by the Board, the Owner shall pay the fine upon notice from the Board);

(ii) suspending an Owner's right to vote;

(iii) suspending any Person's right to use any recreational facilities within the Common Area; provided, however, nothing herein shall authorize the Board to limit ingress or egress to or from a Living Unit;

(iv) suspending any services provided by the Association to an Owner or the Owner's Living Unit if the Owner is more than 30 days delinquent in paying any assessment or other charge owed to the Association;

(v) exercising self-help in a non-emergency situation;

(vi) requiring an Owner, at its own expense, to remove any structure or improvement on such Owner's Living Unit in violation of the Governing Documents and to restore the Living Unit to its previous condition and, upon failure of the Owner to do so, the Board or its designee shall have the right to enter the property, remove the violation and restore the property to substantially the same condition as previously existed and any such action shall not be deemed a trespass; and

(vii) without liability to any Person, precluding any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of Article IV and the Architectural Guidelines from continuing or performing any further activities in the Properties.

In addition, the Board may take the following enforcement procedures to ensure compliance with the Governing Documents without the necessity of compliance with the procedures set forth in the By-Laws:

(i) abating an immediate violation on the Common Area and exercising self-help in any emergency situation (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules and regulations); or

(ii) bringing suit at law or in equity to enjoin any violation or to recover monetary damages or both.

In addition to any other enforcement rights, if an Owner fails to properly perform his or her maintenance responsibility, the Association may Record a notice of violation or perform such maintenance responsibilities and assess all costs incurred by the Association against the Living Unit and the Owner as a Specific Assessment. Except in an emergency situation, the Association shall provide the Owner reasonable notice and an opportunity to cure the problem prior to taking such enforcement action (which may be provided in lieu of the notice and hearing procedures set forth in the By-Laws).

All remedies set forth in the Governing Documents shall be cumulative of any remedies available at law or in equity. In any action to enforce the Governing Documents, if the Association prevails, it shall be entitled to recover all costs, including, without limitation, attorneys' fees and court costs, reasonably incurred in such action.

(b) The decision to pursue enforcement action in any particular case shall be left to the Board's discretion, except that the Board shall not be arbitrary or capricious in taking

enforcement action. Without limiting the generality of the foregoing sentence, the Board may determine that, under the circumstances of a particular case:

- (i) the Association's position is not strong enough to justify taking any or further action;
- (ii) the covenant, restriction, or rule being enforced is, or is likely to be construed as, inconsistent with applicable law;
- (iii) although a technical violation may exist or may have occurred, it is not of such a material nature as to be objectionable to a reasonable person or to justify expending the Association's resources; or
- (iv) that it is not in the Association's best interests, based upon hardship, expense, or other reasonable criteria, to pursue enforcement action.

Such a decision shall not be construed as a waiver of the Association's right to enforce such provision at a later time under other circumstances or preclude the Association from enforcing any other covenant, restriction, or rule.

The Association, by contract or other agreement, may enforce city and county ordinances, if applicable, for the benefit of the Association and its Members, and any municipality having jurisdiction may enforce ordinances within the Properties.

7.5. Implied Rights; Board Authority.

The Association may exercise any right or privilege given to it expressly by the Governing Documents, or reasonably implied from or reasonably necessary to effectuate any such right or privilege. All rights and powers of the Association may be exercised by the Board without a vote of the membership except where applicable law or the Governing Documents specifically require a vote of the membership.

The Board may institute, defend, settle, or intervene on behalf of the Association in mediation, binding or non-binding arbitration, litigation, or administrative proceedings in matters pertaining to the Area of Common Responsibility, enforcement of the Governing Documents, or any other civil claim or action. However, the Governing Documents shall not create any independent legal duty to institute litigation on behalf of or in the name of the Association or the Members.

In exercising the Association's rights and powers, making decisions on behalf of the Association, and conducting the Association's affairs, Board members shall be subject to, and their actions shall be judged in accordance with, the standards set forth in the By-Laws.

7.6. Indemnification of Officers, Directors, and Others.

Subject to Georgia law, the Association shall indemnify every officer, director, and committee member against all damages and expenses, including counsel fees, reasonably incurred in connection with any action, suit, or other proceeding (including Liberty Park of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, or committee member, except that such obligation to indemnify shall be limited to those actions for which liability is limited under this Section and Georgia law. This right to indemnification shall not be exclusive of any other rights to which any present or former officer, director, or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

The officers, directors, and committee members shall not be liable for any mistake of judgment, negligence or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association).

7.7. Safety and Security.

Each Owner and occupant of a Living Unit, and their respective guests and invitees, shall be responsible for their own personal safety and the security of their property in the Properties. The Association may, but shall not be obligated to, maintain or support certain activities within the Properties designed to enhance the level of safety or security which each person provides for himself or herself and his or her property. Neither the Association nor Declarant shall in any way be considered insurers or guarantors of safety or security within Liberty Park, nor shall either be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken.

No representation or warranty is made that any systems or measures, including any mechanism or system for limiting access to the Properties, cannot be compromised or circumvented, nor that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands, and shall be responsible for informing its tenants and all occupants of its Living Unit that the Association, its Board and committees, and Declarant are not insurers or guarantors of security or safety and that each Person within the Properties assumes all risks of personal injury and loss or damage to property, including Living Units and the contents of Living Units, resulting from acts of third parties.

7.8. Provision of Services.

The Association may provide, or provide for, services and facilities for the Owners and their Living Units, and shall be authorized to enter into and terminate contracts or agreements with other entities, including Declarant, to provide such services and facilities. The Board may charge use or service fees for any such services and facilities provided at the option of an Owner, or may include the costs thereof in the Association's budget as a Common Expense and assess it as part of the Base Assessment if provided to all Living Units. By way of example, such services and facilities might include landscape maintenance, pest control service, cable television service, security, caretaker, transportation, fire protection, utilities, and similar services and facilities.

Nothing in this Section shall be construed as a representation by Declarant or the Association as to what, if any, services shall be provided. In addition, the Board shall be permitted to modify or cancel existing contracts for services in its discretion, unless the provision of such services is otherwise required by the Governing Documents. Non-use of services provided to all Owners or Living Units as a Common Expense shall not exempt any Owner from the obligation to pay assessments for such services.

7.9. Relationships with Other Properties.

The Association may enter into contractual agreements or covenants to share costs with any neighboring property to contribute funds for, among other things, shared or mutually beneficial property or services and/or a higher level of Common Area maintenance.

7.10. Facilities and Services Open to the Public.

Certain facilities and areas within the Properties may be open for use and enjoyment of the public. Such facilities and areas may include, by way of example: greenbelts, trails and paths, parks, and other neighborhood spots conducive to gathering and interaction, roads, sidewalks, and medians. Declarant may designate such facilities and areas as open to the public at the time Declarant makes such facilities and areas a part of the Area of Common Responsibility or the Board may so designate at any time thereafter.

Article VIII Insurance

8.1. Association Required Coverages.

The Association, acting through its Board or its duly authorized agent, shall obtain and continue in effect the following types of insurance, if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available:

(i) Blanket property insurance covering "risks of direct physical loss" on a "special form" basis (or comparable coverage by whatever name denominated) for all insurable improvements on the Common Area and within the Area of Common Responsibility to the

2012 MAY 11 AM 11:24

extent that the Association has assumed responsibility in the event of a casualty, regardless of ownership. If such coverage is not generally available at reasonable cost, then "broad form" coverage may be substituted. All property insurance policies obtained by the Association shall have policy limits sufficient to cover the full replacement cost of the insured improvements under current building ordinances and codes;

(ii) Commercial general liability insurance on the Area of Common Responsibility, insuring the Association and its Members for damage or injury caused by the negligence of the Association or any of its Members, employees, agents, or contractors while acting on its behalf. If generally available at reasonable cost, such coverage (including primary and any umbrella coverage) shall have a limit of at least two million dollars (\$2,000,000.00) per occurrence with respect to bodily injury, personal injury, and property damage; provided, should additional coverage and higher limits be available at reasonable cost which a reasonably prudent person would obtain, the Association shall obtain such additional coverages or limits;

(iii) Workers' compensation insurance and employers' liability insurance, if and to the extent required by law;

(iv) Directors' and officers' liability coverage;

(v) Commercial crime insurance, including fidelity insurance covering all Persons responsible for handling Association funds in an amount determined in the Board's business judgment but not less than an amount equal to one-quarter of the annual Base Assessments on all Living Units plus reserves on hand. Fidelity insurance policies shall contain a waiver of all defenses based upon the exclusion of Persons serving without compensation; and

(vi) Such additional insurance as the Board, in the exercise of its business judgment, determines advisable.

Premiums for all insurance on the Area of Common Responsibility shall be Common Expenses, unless the Board reasonably determines that other treatment of the premiums is more appropriate.

The Association shall arrange for an annual review of the sufficiency of its insurance coverage by one or more qualified Persons, at least one of whom must be familiar with insurable replacement costs in the Hinesville area. All Association policies shall provide for a certificate of insurance to be furnished to the Association and, upon request, to each Member insured.

The policies may contain a reasonable deductible and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the policy limits satisfy the requirements of Section 8.1. In the event of an insured loss, the deductible shall be treated as a Common Expense in the same manner as the premiums for the applicable insurance coverage. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with the By-Laws, that the loss is the result of the negligence or willful misconduct

of one or more Owners, their guests, invitees, or lessees, then the Board may assess the full amount of such deductible against such Owner(s) and their Living Units as a Specific Assessment.

8.2. Owner Required Coverage.

The record Owner of each Living Unit shall obtain and maintain in full force and effect, at all times, (the "Effective Date"), the following insurance coverages:

(a) Fire and hazard insurance covering all of the insurable improvements on the Living Unit containing the Living Unit against loss or damage by fire and other hazards covered by the standard extended coverage endorsement, and such other risks as from time to time shall be customarily covered with respect to buildings similar in construction, location and use as the Living Units, in an amount equal to the maximum insurable replacement value thereof, as determined periodically by the Association;

(b) If the Living Unit is in a flood zone, Federal Flood Insurance covering all of the insurable improvements on the Living Unit containing the Living Unit against loss or damage by rising water in an amount equal to the maximum insurable replacement value thereof, as determined annually by the Association.

8.3. Insurance Requirements.

(a) All policies shall be written with a company licensed to do business in the State of Georgia;

(b) All policies shall be for the benefit of the Association, Living Unit Owners and their mortgagees as their interest may appear.

(c) All policies shall contain a standard mortgagee loss payee clause in favor of each said mortgagee which shall provide that the loss, if any, thereunder shall be payable to the Association and to such mortgagee as its interest may appear, subject, however to the loss payment provisions in favor of the Association.

(d) All policies shall contain a standard provision providing that such policies may not be altered, substantially modified or canceled without at least thirty (30) days prior written notice to all of the insureds, including the Association and the mortgagee;

(e) A copy of all policies and endorsements thereto shall be deposited with and maintained by the Association at its principal office;

(f) Exclusive authority to adjust losses under the policies hereafter in force with respect to the submitted property shall be vested in the Board of Directors of the Association and said mortgagees;

(g) The Living Unit Owners and/ or the Association shall make every reasonable effort to secure insurance policies that will provide for the following: (1) a waiver of subrogation by the insurer as to any claims against the Association and its officers, directors, employees and agents, the Living Unit Owners and their respective servants, agents and guests; (2) a waiver by the insurer of its right to repair and reconstruct instead of paying cash; and (3) that no policy on the submitted property can be canceled, invalidated or suspended on account of the conduct of any director, officer, agent or employee of the Association without a prior demand in writing delivered to the Board of Directors to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured.

8.4. Association's Duty to Restore Damaged Improvements.

In the event of damage to or destruction of Common Area or other property which the Association is obligated to insure, the Board or its duly authorized agent shall file and adjust all insurance claims and obtain reliable and detailed estimates of the cost of repairing or restoring the property to substantially the condition in which it existed prior to the damage, allowing for changes or improvements necessitated by changes in applicable building codes.

Damaged improvements on the Common Area shall be repaired or reconstructed unless the Members representing at least 75% of the total Class "A" votes in the Association, and the Class "B" Member, if any, decide within 60 days after the loss not to repair or reconstruct. If either the insurance proceeds or the estimates of the loss, or both, are not available to the Association within such 60-day period, then the period shall be extended until such funds or information are available. However, such extension shall not exceed 60 additional days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Area shall be repaired or reconstructed.

If a decision is made not to restore the damaged improvements, and no alternative improvements are authorized, the affected property shall be cleared of all debris and ruins and thereafter shall be maintained by the Association in a neat and attractive, landscaped condition consistent with the Community-Wide Standard.

Any insurance proceeds remaining after paying the costs of repair or reconstruction, or after such settlement as is necessary and appropriate, shall be retained by the Association for the benefit of its Members, and placed in a capital improvements account. This is a covenant for the benefit of Mortgagees and may be enforced by the Mortgagee of any affected Living Unit.

If insurance proceeds are insufficient to cover the costs of repair or reconstruction, the Board may, without a vote of the Members, levy Special Assessments to cover the shortfall against those Owners responsible for the premiums for the applicable insurance coverage under 8.1.

8.5. Failure to Insure.

Individual Living Unit Owners shall be responsible for acquiring said fire, hazard and flood insurance and the payment of premiums directly or through their financing agencies, and shall provide the Association with a copy of their policy and all renewals thereof at least thirty (30) days prior to the Effective Date or the expiration thereof. If any Living Unit Owner fails to provide said proof of insurance by the required date, the Association shall, after ten (10) days notice to the Living Unit Owner, purchase said insurance on the Living Unit Owner's behalf at whatever rates are available through its insurance agent and assess said Living Unit Owner for the cost thereof, plus interest thereon at the rate of 13% per annum.

Article IX Repair, Restoration and Rebuilding

9.1. Repair, Restoration and Rebuilding.

In the event any Living Unit shall be damaged or destroyed by fire, other casualty or any other cause or event whatsoever, the Owner of the property so damaged or destroyed shall cause it to be repaired, restored or rebuilt, as the case may be, as rapidly as possible to at least as good a condition as existed immediately prior to such damage or destruction, subject only to the right of the Association (which right is hereby granted to the Association) to authorize and direct such different action as shall be recommended by the Board of Directors and approved by affirmative vote of not less than two-thirds (2/3) of the members, which majority shall include the affirmative vote of all the Owners whose Living Living Units shall have been damaged or destroyed.

9.2. Board of Directors to Supervise

All repair, restoration or rebuilding pursuant to the provision of this Article VIII shall be carried out under such supervision and direction as the Board of Directors of the Association shall deem appropriate in order to assure the expeditious and correct completion of the work concerned, and the Owner of any Living Unit which has been damaged or destroyed shall fully cooperate with, and abide by all instructions and directions of the Association in connection therewith.

9.3. Rights of Association.

The Association is hereby given and shall have the right reasonably to approve the architects, contractors and subcontractors to be employed in connection with such repair, restoration or rebuilding, to select a contractor, or contractors, to perform all or various parts of the work to be done upon the various Living Units which shall have been damaged or destroyed by such casualty or other happening; to coordinate the progress of the work among such various Living Units; and to hold the proceeds of any insurance which may be payable on account of

such casualty or other happening and to control the disbursement thereof in such manner as to assure the sufficiency of funds for the completion of said work or for any other proper purpose.

9.4 Lien Rights of Association.

In any case in which the Owner of the Living Unit concerned shall fail to carry out and see to the repair, restoration or rebuilding required by the provisions of this Article IX, or shall request the Association to carry out and see to such repair, restoration or rebuilding, the Association may carry out and see to the repair, restoration or rebuilding required by the provisions of this Article IX, provided, however, that to the extent the insurance proceeds are insufficient as to any Living Unit, the particular Owner shall be responsible to the Association for such deficiency, and the Association shall have, and is hereby given, a continuing lien on the Living Unit for which any such repairs or rebuilding are furnished by the Association in the aggregate amount of (a) the cost thereof, (b) interest at the rate of interest permitted by law on money judgments in Georgia from the date of the Association's payment of such costs, and (c) reasonable attorneys' fees and any court or other costs incurred by the Association in connection therewith, which lien shall encumber such Living Unit in the hands of such Owner, his heirs, devisees, personal representatives, grantees and assigns. In the event such Owner does not forthwith fully repay the Association therefore, as aforesaid, such lien may be foreclosed against the Living Unit by the Association, in the same manner as hereinafter provided in connection with unpaid assessments. The Association's lien in this section provided shall be subordinate to the lien of any first mortgage, now or hereafter placed upon the Living Unit.

9.5 Insurance Insufficient.

In any case in which insurance proceeds shall not be paid or payable on account of any damage to, or destruction of, any Living Unit, or shall be inadequate to fully cover the cost of repair, restoration or rebuilding which the Association is by the provisions of this Article VIII permitted to carry out, the cost of such repair, restoration or rebuilding in excess of the amount of insurance proceeds available may be borne and paid for by the Association, but without diminishing or in any way affecting any rights of recovery thereof which the Association may have by law against any person or persons who shall be directly or indirectly responsible for such damage or destruction by reason of any negligent or wrongful act or omission, or against any Owner for his failure to maintain insurance coverage.

9.6 Obligation of Association.

Notwithstanding anything to the contrary herein contained, the obligations of the Association under the provisions of this Article VIII shall be limited to the repair, restoration and rebuilding of the Common Area, and the Association shall not be responsible for repair, restoration or replacement of any personal property of the Owners or others.

9.7 Debris.

In the event a Living Unit is damaged or destroyed, and the Owner does not begin repair or reconstruction within thirty (30) days following damage or destruction, he shall remove or cause to be removed, at his expense, all debris from the Living Unit, so that it shall be placed in a neat, clean and safe condition; if he fails to so remove the debris, the Association may cause it to be removed, and the cost of such removal shall constitute a lien upon the Living Unit until paid by the Owner, unless the Living Unit is thereafter acquired by the Association.

9.8 Application of Declaration and Bylaws.

Any Living Unit which has been destroyed, in whole or in part, by fire or other casualty, and subsequently restored or reconstructed, shall be subject to the provisions of this Declaration and to the Bylaws of the Association.

Article X Association Finances

10.1. Budgeting and Allocating Common Expenses.

At least 60 days before the beginning of each fiscal year, the Board shall prepare a budget of the estimated Common Expenses for the coming year, including any contributions to be made to a reserve fund pursuant to Section 10.2, and separate budgets reflecting the estimated Service Area Expenses for each Service Area to which the Association expects to provide benefits or services during the budget period. The budgets shall also reflect the sources and estimated amounts of funds to cover such expenses, which may include any surplus to be applied from prior years, any income expected from sources other than assessments levied against the Living Units, and the amount to be generated through the levy of Base Assessments and Special Assessments against the Living Units, as authorized in Section 10.5.

The Association is authorized to levy Base Assessments equally against all Living Units subject to assessment under Section 10.5 to fund the Common Expenses. In determining the Base Assessment rate per Living Unit, the Board may consider any assessment income expected to be generated from any additional Living Units reasonably anticipated to become subject to assessment during the fiscal year.

The total amount of estimated Service Area Expenses for each Service Area shall be allocated among all Living Units within the Service Area which are subject to assessment under Section 7.3 and shall be assessed as a Service Area Assessment. All amounts collected by the Association as Service Area Assessments shall be held in trust for and expended solely for the benefit of the Service Area for which they were collected and shall be accounted for separately from the Association's general funds.

Declarant may, but shall not be obligated to, reduce the Base Assessment for any fiscal year by payment of a subsidy, which may be either a contribution, an advance against future assessments due from Declarant, or a loan, in Declarant's discretion. Any such subsidy shall be disclosed as a line item in the income portion of the budget. Payment of such subsidy in any year shall not obligate Declarant to continue payment of such subsidy in future years, unless otherwise provided in a written agreement between the Association and Declarant.

The Board shall send a copy of the final budget, together with notice of the amount of the Base Assessment to be levied pursuant to such budget, to each Owner at least 30 days prior to the effective date of such budget. The budget shall automatically become effective unless disapproved at a meeting by Members representing at least 75% of the total Class "A" votes in the Association and by the Class "B" Member, if such exists. The Service Area Expense budget for each Service Area shall automatically become effective unless disapproved at a meeting by Owners of 67% of the Living Units within the Service Area, except that the right to disapprove shall apply only to those line items which are attributable to services or benefits requested by the Service Area and shall not apply to any item which the Governing Documents specifically require to be assessed as a Service Area assessment. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Members as provided for special meetings in the By-Laws, and in the case of any Service Area budget, on petition of Owners of at least 25% of the Living Units within the Service Area. Any such petition must be presented to the Board within 10 days after delivery of the budget and notice of any assessment.

If any proposed budget is disapproved or the Board fails for any reason to determine the budget for any year, then the budget most recently in effect shall continue in effect until a new budget is determined.

The Board may revise the budget and adjust the Base Assessment from time to time during the year, subject to the notice requirements and the right of the Members to disapprove the revised budget as set forth above.

10.2. Budgeting for Reserves.

The Board shall prepare and review at least annually a reserve budget for the Area of Common Responsibility. The budget shall take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost. The Board shall include in the Common Expense budget adopted pursuant to Section 8.1, a capital contribution to fund reserves in an amount sufficient to meet the projected need with respect both to amount and timing by annual contributions over the budget period.

10.3. Special Assessments.

In addition to other authorized assessments, the Association may levy Special Assessments against all Owners to cover unbudgeted expenses or expenses in excess of those budgeted, or against the Living Units within any Service Area if such Special Assessment is for

Service Area Expenses. Except as otherwise specifically provided in this Declaration, any Special Assessment shall require the affirmative vote or written consent of the Class "B" Member, if such exists. Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved.

10.4. Specific Assessments.

The Association shall have the power to levy Specific Assessments against a particular Living Unit as follows:

(a) to cover the costs, including overhead and administrative costs, of providing services to Living Units upon request of an Owner pursuant to any menu of special services which may be offered by the Association. Specific Assessments for special services may be levied in advance of the provision of the requested service; and

(b) to cover costs incurred in bringing the Living Unit into compliance with the Governing Documents, or costs incurred as a consequence of the conduct of the Owner or occupants of the Living Unit, their agents, contractors, employees, licensees, invitees, or guests.

(c) Collection and payment of Assessments levied by the Association pursuant to the Master Declaration, and the fulfillment of any other duties and obligations under the Master Declaration.

(d) In the event that the need for maintenance or repair of a Living Unit, or the improvements thereon, is caused by the willful or negligent acts of the family, guests, or invitees of the Owner of the Living Unit needing such maintenance or repair, the cost of such exterior maintenance shall be added to and become part of the Assessment to which such Living Unit is subject.

10.5. Time of Payment.

The obligation to pay assessments shall commence as to each Living Unit on the first day of the month following: (a) the month in which the Living Unit is made subject to this Declaration, or (b) the month in which the Board first determines a budget and levies assessments pursuant to this Article, whichever is later. The first annual Base Assessment or Service Area Assessment, if any, levied on each Living Unit shall be adjusted according to the number of months remaining in the fiscal year at the time assessments commence on the Living Unit.

Assessments shall be paid in such manner and on such dates as the Board may establish. The Board may require advance payment of assessments at closing of the transfer of title to a Living Unit and impose special requirements for Owners with a history of delinquent payment. If the Board so elects, assessments may be paid in two or more installments. Unless the Board

2012 MAY 11 AM 11:24

otherwise provides, the Base Assessment and Service Area Assessment shall be due and payable in advance on the first day of each fiscal year. If any Owner is delinquent in paying any assessments or other charges levied on his or her Living Unit, the Board may require the outstanding balance on all assessments to be paid in full immediately.

10.6. Obligation for Assessments.

Each Owner, by accepting a deed or entering into a Recorded contract of sale for any portion of the Properties, is deemed to covenant and agree to pay all assessments authorized in the Governing Documents. All assessments, together with interest (computed from its due date at a rate of 15% per annum or such other rate as the Board may establish, subject to the limitations of Georgia law), late charges as determined by Board resolution, costs, and attorneys' fees, shall be the personal obligation of each Owner and a lien upon each Living Unit until paid in full. Upon a transfer of title to a Living Unit, the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance.

Failure of the Board to fix assessment amounts or rates or to deliver or mail to each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay Base Assessments and Service Area Assessments on the same basis as during the last year for which an assessment was made, if any, until a new assessment is levied, at which time the Association may retroactively assess any shortfalls in collections.

No Owner may exempt himself or herself from liability for assessments by non-use of the Common Area, abandonment of his or her Living Unit, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association or Board to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making of repairs or improvements, or from any other action it takes.

Upon written request, the Association shall furnish to any Owner liable for any type of assessment a certificate in writing signed by an Association officer setting forth whether such assessment has been paid. Such certificate shall be conclusive evidence of payment. The Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

10.7. Lien for Assessments.

The Association shall have a lien against each Living Unit to secure payment of delinquent assessments, as well as interest, late charges (subject to the limitations of Georgia law), and costs of collection (including attorneys' fees). Such lien shall be superior to all other liens, except (a) the liens of all taxes, bonds, assessments, and other levies which by law would be superior, and (b) the lien or charge of any Recorded first Mortgage (meaning any Recorded

Mortgage with first priority over other Mortgages) made in good faith and for value. Such lien, when delinquent, may be enforced by suit, judgment, and judicial or nonjudicial foreclosure.

The Association may bid for the Living Unit at the foreclosure sale and acquire, hold, lease, mortgage, and convey the Living Unit. While a Living Unit is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be levied on it; and (c) each other Living Unit shall be charged, in addition to its usual assessment, its pro rata share of the assessment that would have been charged such Living Unit had it not been acquired by the Association. The Association may sue for unpaid assessments and other charges authorized hereunder without foreclosing or waiving the lien securing the same.

Sale or transfer of any Living Unit shall not affect the assessment lien or relieve such Living Unit from the lien for any subsequent assessments. However, the sale or transfer of any Living Unit pursuant to foreclosure of the first Mortgage shall extinguish the lien as to any installments of such assessments due prior to the Mortgagee's foreclosure. The subsequent Owner to the foreclosed Living Unit shall not be personally liable for assessments on such Living Unit due prior to such acquisition of title. Such unpaid assessments shall be deemed to be Common Expenses collectible from Owners of all Living Units subject to assessment under Section 10.6, including such acquirer, its successors and assigns.

10.8. Exempt Property.

The following property shall be exempt from payment of Base Assessments, Special Assessments, and Service Area Assessments:

- (a) All Common Area and such portions of the property owned by Declarant as are included in the Area of Common Responsibility;
- (b) Any property dedicated to and accepted by any governmental authority or public utility; and
- (c) Property owned by the Declarant for any purpose.

In addition, Declarant and/or the Association shall have the right, but not the obligation, to grant exemptions to certain Persons qualifying for tax-exempt status under Section 501(c) of the Internal Revenue Code so long as such Persons own property subject to this Declaration for purposes listed in Section 501(c).

PART FOUR: COMMUNITY-WIDE DEVELOPMENT

Article XI Expansion of the Community

11.1. Expansion by Declarant.

Declarant may, from time to time, subject to the provisions of this Declaration all or any portion of the property described in Exhibit "B" by Recording a Supplemental Declaration describing the property being subjected. A Supplemental Declaration Recorded pursuant to this Section shall not require the consent of any Person except the owner of such property, if other than Declarant. Any such Supplemental Declaration may contain modifications or amendments to this Declaration applicable only to the portion of the Property subjected to the Declaration by such Supplemental Declaration.

Declarant's right to expand the Properties pursuant to this Section shall expire when all property described in Exhibit "B" has been subjected to this Declaration or 20 years after this Declaration is Recorded, whichever is earlier. Until then, Declarant may transfer or assign this right to any Person who is the developer of at least a portion of the real property described in Exhibits "A" or "B." Any such transfer shall be memorialized in a Recorded instrument executed by Declarant.

Nothing in this Declaration shall be construed to require Declarant or any successor to subject additional property to this Declaration or to develop any of the property described in Exhibit "B" in any manner whatsoever.

11.2. Expansion by the Association.

The Association may also subject property to the provisions of this Declaration by a Recorded Supplemental Declaration. Any such Supplemental Declaration shall require the affirmative vote of Members representing more than 50% of the Class "A" votes of the Association represented at a meeting duly called for such purpose and the consent of the owner of the property. In addition, so long as Declarant owns property subject to this Declaration or which may become subject to this Declaration in accordance with Section 11.1, Declarant's consent shall be necessary. The Supplemental Declaration shall be signed by the President and Secretary of the Association, by the Owner of the property, and by Declarant, if Declarant's consent is necessary.

11.3. Additional Covenants and Easements.

Declarant may subject any portion of the Properties to additional covenants and easements, and authorizes the Association to recover its costs through Service Area Assessments. Such additional covenants and easements may be set forth either in a Supplemental Declaration subjecting such property to this Declaration or in a separate Supplemental Declaration

referencing property previously subjected to this Declaration. If the property is owned by someone other than Declarant, then the consent of the Owner(s) shall be necessary and shall be evidenced by their execution of the Supplemental Declaration. Any such Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of this Declaration as it applies to the subject property in order to reflect the different character and intended use of such property.

11.4. Effect of Filing Supplemental Declaration.

A Supplemental Declaration shall be effective upon Recording unless otherwise specified. Any property subjected to this Declaration shall be assigned voting rights in the Association and assessment liability in accordance with the provisions of this Declaration.

Article XII Additional Rights Reserved to Declarant

12.1. Withdrawal of Property.

Declarant reserves the right to amend this Declaration, so long as it has a right to annex property pursuant to Section 11.1, for the purpose of removing any portion of the Properties which has not yet been improved with structures from the coverage of this Declaration, provided such withdrawal does not reduce the total number of Living Units then subject to the Declaration by more than 10 percent. Such amendment shall not require the consent of any Person other than the Owner(s) of the property to be withdrawn, if not Declarant. If the property is Common Area, the Association shall consent to such withdrawal.

12.2. Marketing and Sales Activities.

Declarant may construct and maintain upon portions of the Common Area and Living Units which they own such facilities and activities as, in Declarant's sole opinion, may be reasonably required, convenient, or incidental to the construction or sale of Living Units, including, but not limited to, business offices, signs, model Living Units, and sales offices. Declarant shall have easements for access to and use of such facilities at no charge.

12.3. Right to Develop.

Declarant and its employees, agents, and designees shall have a right of access and use and an easement over and upon all of the Common Area for the purpose of making, constructing, and installing such improvements to the Common Area as it deems appropriate in its sole discretion.

Every Person that acquires any interest in the Properties acknowledges that the Properties is a master planned community, the development of which is likely to extend over many years, and agrees not to protest, challenge, or otherwise object to (a) changes in uses or density of property, or (b) changes in the master plan.

12.4. Right to Approve Additional Covenants.

No Person shall Record any declaration of covenants, conditions, and restrictions, or declaration of condominium or similar instrument affecting any portion of the Properties without Declarant's review and written consent. Any instrument Recorded without such consent shall be void and of no force and effect unless subsequently approved by Declarant in a Recorded consent.

12.5. Right to Approve Changes in the Properties' Standards.

No amendment to or modification of the Restrictions and Rules or the Architectural Guidelines shall be effective without prior notice to and the written approval of Declarant so long as Declarant owns property subject to this Declaration or which may become subject to this Declaration in accordance with Section 11.1.

12.6. Right to Transfer or Assign Declarant Rights.

Any or all of Declarant's special rights and obligations set forth in this Declaration or the By-Laws may be transferred in whole or in part to other Persons; provided, the transfer shall not reduce an obligation nor enlarge a right beyond that which Declarant has under this Declaration or the By-Laws. No such transfer or assignment shall be effective unless it is in a Recorded instrument signed by Declarant. The foregoing sentence shall not preclude Declarant from permitting other Persons to exercise, on a one time or limited basis, any right reserved to Declarant in this Declaration where Declarant does not intend to transfer such right in its entirety, and in such case it shall not be necessary to Record an assignment unless necessary to evidence Declarant's consent to such exercise.

12.7. Exclusive Rights To Use Name of Neighborhood.

No Person shall use the name "Liberty Park " or any derivative of such name or in logo or depiction in any printed or promotional material without Declarant's prior written consent. However, Owners may use the name "Liberty Park " in printed or promotional matter where such term is used solely to specify that particular property is located within Liberty Park and the Association shall be entitled to use the words "Liberty Park " in its name.

12.8. Easement to Inspect and Right to Correct.

Declarant reserves for itself and others it may designate the right to inspect, monitor, test, redesign, and correct any structure, improvement, or condition which may exist on any portion of the Properties, including Living Units, and a perpetual nonexclusive easement of access throughout the Properties to the extent reasonably necessary to exercise such right. Except in an emergency, entry onto a Living Unit shall be only after reasonable notice to the Owner and no entry into a Living Unit shall be permitted without the consent of the Owner. The person

exercising this easement shall promptly repair, at such person's own expense, any damage resulting from such exercise.

12.9. Right to Notice of Design or Construction Claims.

No Person shall retain an expert for the purpose of inspecting the design or construction of any structures or improvements within the Properties in connection with or in anticipation of any potential or pending claim, demand, or litigation involving such design or construction unless Declarant has been first notified in writing and given an opportunity to meet with the Owner of the property to discuss the Owner's concerns and conduct their own inspection.

12.10. Changes to Restrictions and Rules.

During the Class B Control Period, the Declarant may modify, cancel, limit, create exceptions to, or expand the Restrictions and Rules unilaterally, provided that the effective date of the change will not be less than thirty (30) days after written notice to the Owners.

12.11. Modifications to Subdivision Plats.

Declarant may modify and amend any subdivision plat of the Property from time to time for the purpose of converting Townhome Living Units into single family detached Living Units. Upon the recording of each such subdivision plat, the Board of Directors shall be authorized and directed to convey to the Owner of the single family detached Living Units all right, title and interest of the Association in and to any Common Areas added to the Living Unit as a result of the amended subdivision plat. This Section shall not authorize Declarant to convert Common Areas into new Living Units that do not currently exist as Townhome Living Units, but shall authorize Declarant to make boundary adjustments necessary to accommodate single family detached Living Units. In the event that any portion of a newly created Living Unit was previously contained within a dedicated right of way, the parties hereto do hereby release any rights in and to said dedicated right of way.

12.12. Termination of Rights.

Except as otherwise specified, the rights contained in this Article shall not terminate until the earlier of (a) 40 years from the date this Declaration is Recorded, or (b) Recording by Declarant of a statement that all sales activity has ceased.

PART FIVE: PROPERTY RIGHTS WITHIN THE COMMUNITY

Article XIII Easements

13.1. Easements in Common Area.

Declarant grants to each Owner a nonexclusive right and easement of use, access, and enjoyment in and to the Common Area, subject to:

- (a) The Governing Documents and any other applicable covenants;
- (b) Any restrictions or limitations contained in any deed conveying such property to the Association;
- (c) The Board's right to:
 - (i) adopt rules regulating use and enjoyment of the Common Area, including rules limiting the number of guests who may use the Common Area;
 - (ii) suspend the right of an Owner to use recreational facilities within the Common Area (A) for any period during which any charge against such Owner's Living Unit remains delinquent, and (B) for a period not to exceed 30 days for a single violation or for a longer period in the case of any continuing violation of the Governing Documents after notice and a hearing pursuant to the By-Laws;
 - (iii) dedicate or transfer all or any part of the Common Area, subject to such approval requirements as may be set forth in this Declaration;
 - (iv) impose reasonable membership requirements and charge reasonable admission or other use fees for the use of any recreational facility situated upon the Common Area;
 - (v) permit use of any recreational facilities situated on the Common Area by persons other than Owners, their families, lessees, and guests upon payment of use fees established by the Board and designate other areas and facilities within the Area of Common Responsibility as open for the use and enjoyment of the public; and
 - (vi) mortgage, pledge, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred;

Any Owner may extend his or her right of use and enjoyment to the members of his or her family, lessees, and social invitees, as applicable, subject to reasonable regulation by the Board. An Owner who leases his or her Living Unit shall be deemed to have assigned all such rights to the lessee of such Living Unit for the period of the lease.

13.2. Easements of Encroachment.

Declarant grants reciprocal appurtenant easements of encroachment, and for maintenance and use of any permitted encroachment, between each Living Unit and any adjacent Common Area and between adjacent Living Units or any Living Unit and any private amenity due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of these restrictions) to a distance of not more than three feet, as measured from any point on the common boundary along a line perpendicular to such boundary. However, in no event shall an easement for encroachment exist if such encroachment occurred due to willful and knowing conduct on the part of, or with the knowledge and consent of, the Person claiming the benefit of such easement.

13.3. Easements for Utilities, Etc.

(a) Installation and Maintenance. Declarant reserves for itself, so long as Declarant owns any property described in Exhibit "A" or "B" of this Declaration, and grants to the Association and all utility providers, perpetual non-exclusive easements throughout the Properties (but not through a structure) to the extent reasonably necessary for the purpose of:

(i) installing utilities and infrastructure to serve the Properties, cable and other systems for sending and receiving data and/or other electronic signals, security and similar systems, walkways, pathways and trails, drainage systems, street lights, and signage on property which Declarant owns or within public rights-of-way or easements reserved for such purpose on Recorded plats;

(ii) inspecting, maintaining, repairing, and replacing the utilities, infrastructure, and other improvements described in Section 13.3(a)(i); and

(iii) access to read utility meters.

Notwithstanding the above, Declarant reserves the right to deny access to any utility or service provider, to the extent permitted by law, or to condition such access on negotiated terms.

(b) Specific Easements. Declarant also reserves for itself the non-exclusive right and power to grant and Record such specific easements as may be necessary, in the sole discretion of Declarant, in connection with the orderly development of any property described in Exhibits "A" and "B." The Owner of any property to be burdened by any easement granted pursuant to this subsection (b) shall be given written notice in advance of the grant. The location of the easement shall be subject to the written approval of the Owner of the burdened property, which approval shall not unreasonably be withheld, delayed, or conditioned.

(c) Minimal Interference. All work associated with the exercise of the easements described in subsections (a) and (b) of this Section shall be performed in such a manner as to

minimize interference with the use and enjoyment of the property burdened by the easement. Upon completion of the work, the Person exercising the easement shall restore the property, to the extent reasonably possible, to its condition prior to the commencement of the work. The exercise of these easements shall not extend to permitting entry into the structures on any Living Unit, nor shall it unreasonably interfere with the use of any Living Unit and, except in an emergency, entry onto any Living Unit shall be made only after reasonable notice to the Owner or occupant.

13.4. Easements to Serve Additional Property.

Declarant hereby reserves for itself and its duly authorized agents, successors, assigns, and mortgagees, an easement over the Common Area for the purposes of enjoyment, use, access, and development of the property described in Exhibit "B," whether or not such property is made subject to this Declaration. This easement includes, but is not limited to, a right of ingress and egress over the Common Area for construction of roads and for connecting and installing utilities on such property.

Declarant agrees that it and its successors or assigns shall be responsible for any damage caused to the Common Area as a result of their respective actions in connection with development of such property. Declarant further agrees that if the easement is exercised for permanent access to such property and such property or any portion thereof benefitting from such easement is not made subject to this Declaration, Declarant, its successors or assigns shall enter into a reasonable agreement with the Association to share the cost of any maintenance which the Association provides to or along any roadway providing access to such property.

13.5. Easements for Maintenance, Emergency, and Enforcement.

Declarant grants to the Association easements over the Properties as necessary to enable the Association to fulfill its maintenance responsibilities under Section 6.1. The Association shall also have the right, but not the obligation, to enter upon any Living Unit for emergency, security, and safety reasons, to perform maintenance, and to inspect for the purpose of ensuring compliance with and enforcing the Governing Documents. Such right may be exercised by any member of the Board and its duly authorized agents and assignees, and all emergency personnel in the performance of their duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner.

13.6. Easements for Lake and Pond Maintenance and Flood Water.

Declarant reserves for itself, the Association, and their successors, assigns, and designees, the nonexclusive right and easement, but not the obligation, to enter upon bodies of water and wetlands located within the Area of Common Responsibility to (a) install, operate, maintain, and replace pumps to supply irrigation water to the Area of Common Responsibility; (b) construct, maintain, and repair structures and equipment used for retaining water; and (c) maintain such areas in a manner consistent with the Community-Wide Standard. Declarant, the Association,

and their successors, assigns, and designees shall have an access easement over and across any of the Properties abutting or containing bodies of water or wetlands to the extent reasonably necessary to exercise their rights under this Section.

Declarant further reserves for itself, the Association, and their successors, assigns, and designees, a perpetual, nonexclusive right and easement of access and encroachment over the Common Area and Living Units (but not the dwellings thereon) adjacent to or within 100 feet of bodies of water and wetlands within the Properties, in order to (a) temporarily flood and back water upon and maintain water over such portions of the Properties; (b) alter in any manner and generally maintain the bodies of water and wetlands within the Area of Common Responsibility; and (c) maintain and landscape the slopes and banks pertaining to such areas. All Persons entitled to exercise these easements shall use reasonable care in and repair any damage resulting from the intentional exercise of such easements. Nothing herein shall be construed to make Declarant or any other Person liable for damage resulting from flooding due to hurricanes, heavy rainfall, or other natural occurrences.

Article XIV Party Walls

14.1. General Rules of Law to Apply.

Each wall which is built as part of the original construction of the Dwellings upon the Property and placed on the dividing line between the Living Units shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

14.2. Destruction by Fire or Other Casualty.

If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owner thereafter makes use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

14.3. Weatherproofing.

Notwithstanding any other provision of this Article, an Owner, who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

14.4. Right to Contribution Runs With the Land.

The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

PART SIX: RELATIONSHIPS WITHIN AND OUTSIDE THE COMMUNITY

Article XV Dispute Resolution and Limitation on Litigation

15.1. Agreement to Encourage Resolution of Disputes Without Litigation.

(a) Declarant, the Association and its officers, directors, and committee members, all Persons subject to this Declaration, and any Person not otherwise subject to this Declaration who agrees to submit to this Article (each being a "Bound Party"), agree that it is in the best interest of all concerned to encourage the amicable resolution of disputes involving the Properties without the emotional and financial costs of litigation. Accordingly, each Bound Party agrees not to file suit in any court with respect to a Claim described in subsection (b), unless and until it has first submitted such Claim to the alternative dispute resolution procedures set forth in Section 15.2 in a good faith effort to resolve such Claim.

(b) As used in this Article, the term "Claim" shall refer to any claim, grievance, or dispute arising out of or relating to

(i) the interpretation, application, or enforcement of the Governing Documents;

(ii) the rights, obligations, and duties of any Bound Party under the Governing Documents; or

(iii) the design or construction of improvements within the Properties, other than matters of aesthetic judgment under Article IV, which shall not be subject to review; except that the following shall not be considered "Claims" unless all parties to the matter otherwise agree to submit the matter to the procedures set forth in Section 15.2:

(a) any suit by the Association to collect assessments or other amounts due from any Owner;

(b) any suit by the Association to obtain a temporary restraining order (or emergency equitable relief) and such ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to enforce the provisions of Part Two of this Declaration (relating to creation and maintenance of community standards);

2012 MAY 11 AM 11:25

(c) any suit between Owners, which does not include Declarant or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Governing Documents;

(d) any suit in which any indispensable party is not a Bound Party; and

(e) any suit as to which any applicable statute of limitations would expire within 180 days of giving the Notice required by Section 15.2(a), unless the party or parties against whom the Claim is made agree to toll the statute of limitations as to such Claim for such period as may reasonably be necessary to comply with this Article.

15.2. Dispute Resolution Procedures.

(a) Notice. The Bound Party asserting a Claim ("Claimant") against another Bound Party ("Respondent") shall give written notice to each Respondent and to the Board stating plainly and concisely:

(i) the nature of the Claim, including the Persons involved and the Respondent's role in the Claim;

(ii) the legal basis of the Claim (*i.e.*, the specific authority out of which the Claim arises);

(iii) the Claimant's proposed resolution or remedy; and

(iv) the Claimant's desire to meet with the Respondent to discuss in good faith ways to resolve the Claim.

(b) Negotiation. The Claimant and Respondent shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a representative to assist the parties in negotiating a resolution of the Claim.

(c) Mediation. If the parties have not resolved the Claim through negotiation within 30 days of the date of the notice described in Section 15.2(a) (or within such other period as the parties may agree upon), the Claimant shall have 30 additional days to submit the Claim to mediation with an entity designated by the Association (if the Association is not a party to the Claim) or to an independent agency providing dispute resolution services in the Chatham County area.

If the Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation when scheduled, the Claimant shall be deemed to have waived the Claim, and the Respondent shall be relieved of any and all liability to the Claimant (but not third parties) on account of such Claim.

If the parties do not settle the Claim within 30 days after submission of the matter to mediation, or within such time as determined reasonable by the mediator, the mediator shall issue a notice of termination of the mediation proceedings indicating that the parties are at an impasse and the date that mediation was terminated. The Claimant shall thereafter be entitled to file suit or to initiate administrative proceedings on the Claim, as appropriate.

Each party shall bear its own costs of the mediation, including attorneys' fees, and each party shall share equally all fees charged by the mediator.

Alternative Dispute Resolution Process

Diagram 15.1 - Alternative Dispute Resolution Process

(d) Settlement. Any settlement of the Claim through negotiation or mediation shall be documented in writing and signed by the parties. If any party thereafter fails to abide by the terms of such agreement, then any other party may file suit or initiate administrative proceedings to enforce such agreement without the need to again comply with the procedures set forth in this Section. In such event, the party taking action to enforce the agreement or award shall, upon prevailing, be entitled to recover from the non-complying party (or if more than one non-complying party, from all such parties in equal proportions) all costs incurred in enforcing such agreement or award, including, without limitation, attorneys' fees and court costs.

15.3. Initiation of Litigation by Association.

In addition to compliance with the foregoing alternative dispute resolution procedures, if applicable, the Association shall not initiate any judicial or administrative proceeding unless first approved by a vote of Members entitled to cast 75% of the total Class "A" votes in the Association, except that no such approval shall be required for actions or proceedings:

- (a) initiated during the Class "B" Control Period;
- (b) initiated to enforce the provisions of this Declaration, including collection of assessments and foreclosure of liens;
- (c) initiated to challenge ad valorem taxation or condemnation proceedings;

(d) initiated against any contractor, vendor, or supplier of goods or services arising out of a contract for services or supplies; or

(e) to defend claims filed against the Association or to assert counterclaims in proceedings instituted against it.

This Section shall not be amended unless such amendment is approved by the same percentage of votes necessary to institute proceedings.

Article XVI Mortgagee Provisions

The following provisions are for the benefit of holders, insurers, and guarantors of first Mortgages on Living Units in the Properties. The provisions of this Article apply to both this Declaration and to the By-Laws, notwithstanding any other provisions contained therein.

16.1. Notices of Action.

An institutional holder, insurer, or guarantor of a first Mortgage which provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Living Unit to which its Mortgage relates, thereby becoming an "Eligible Holder"), will be entitled to timely written notice of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the Properties or which affects any Living Unit on which there is a first Mortgage held, insured, or guaranteed by such Eligible Holder;

(b) Any delinquency in the payment of assessments or charges owed by a Living Unit subject to the Mortgage of such Eligible Holder, where such delinquency has continued for a period of 60 days, or any other violation of the Governing Documents relating to such Living Unit or the Owner or Occupant which is not cured within 60 days;

(c) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) Any proposed action which would require the consent of a specified percentage of Eligible Holders.

16.2. No Priority.

No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Living Unit in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

16.3. Notice to Association.

Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Living Unit.

16.4. Failure of Mortgagee to Respond.

Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within 30 days of the date of the Association's request, provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested.

PART SEVEN: CHANGES IN THE COMMUNITY

Article XVII Changes in Ownership of Living Units

Any Owner desiring to sell or otherwise transfer title to his or her Living Unit shall give the Board written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board may reasonably require. The transferor shall continue to be jointly and severally responsible with the transferee for all obligations of the Owner of the Living Unit, including assessment obligations, until the date upon which such notice is received by the Board, notwithstanding the transfer of title.

Article XVIII Changes in Common Area

18.1. Transfer or Dedication of Common Area.

The Association may dedicate portions of the Common Area to Liberty County, Georgia, the City of Hinesville, or to any other local, state, or federal governmental or quasi-governmental entity, subject to such approval as may be required by Sections 16.5 and 18.2.

18.2. Actions Requiring Owner Approval.

If either the U.S. Department of Housing and Urban Development or the U.S. Department of Veterans Affairs insures or guarantees the Mortgage on any Living Unit, then the following actions shall require the prior approval of Members representing not less than two-thirds (2/3) of the total Class "A" votes in the Association and the consent of the Class "B" Member, if such exists: merger, consolidation, or dissolution of the Association; annexation of additional property other than that described in Exhibit "B;" and dedication, conveyance, or mortgaging of Common Area. Notwithstanding anything to the contrary in Section 18.1 or this Section, the Association, acting through the Board, may grant easements over the Common Area for installation and maintenance of utilities and drainage facilities and for other purposes not

inconsistent with the intended use of the Common Area, without the approval of the membership.

Article XIX Amendment of Declaration

19.1. By Declarant.

In addition to specific amendment rights granted elsewhere in this Declaration, until conveyance of the first Living Unit to a Person other than a builder, Declarant may unilaterally amend this Declaration for any purpose. Thereafter, Declarant may unilaterally amend this Declaration if such amendment is necessary (a) to bring any provision into compliance with any applicable governmental statute, rule, regulation, or judicial determination; (b) to enable any reputable title insurance company to issue title insurance coverage on the Living Units; (c) to enable any institutional or governmental lender, purchaser, insurer, or guarantor of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure, or guarantee mortgage loans on the Living Units; (d) to satisfy the requirements of any local, state, or federal governmental agency; or (e) for any other reason during the Class "B" Control Period so long as the amendment is consistent with the scheme of development. However, any such amendment shall not adversely affect the title to any Living Unit unless the Owner shall consent in writing.

In addition, so long as Declarant owns property described in Exhibits "A" or "B" for development as part of the Properties, it may unilaterally amend this Declaration for any other purpose, provided the amendment has no material adverse effect upon the rights of more than 2% of the Owners.

19.2. By Members.

Except as otherwise specifically provided above and elsewhere in this Declaration, this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of Members representing 75% of the total Class "A" votes in the Association, including 75% of the Class "A" votes held by Members other than Declarant, and Declarant's consent, so long as Declarant owns any property subject to this Declaration or which may become subject to this Declaration in accordance with Section 11.1. In addition, the approval requirements set forth in Article XIII shall be met, if applicable.

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

19.3. Validity and Effective Date.

No amendment may remove, revoke, or modify any right or privilege of Declarant or the Class "B" Member without the written consent of Declarant or the Class "B" Member, respectively (or the assignee of such right or privilege).

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

Any amendment shall become effective upon Recording, unless a later effective date is specified in the amendment. Any procedural challenge to an amendment must be made within six months of its Recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of this Declaration.

19.4. Exhibits.

Exhibits "A" and "B" attached to this Declaration are incorporated by this reference and amendment of such exhibits shall be governed by the provisions of Article XIX. Exhibit "C" is incorporated by reference and may be amended in accordance with Article III, Article XII, or Article XIX. All other exhibits are attached for informational purposes and may be amended as provided therein or in the provisions of this Declaration which refer to such exhibits.

IN WITNESS WHEREOF, the undersigned Declarant has executed this Declaration on this 4th day of May, 2012.
